348 Your New Route

A new range of travel opportunities opens up for hundreds of people on 21 April 1990, when Ensignbus launch our new route 348. From this date our distinctive blue and silver buses will be running every hour during the day, Monday to Saturday between Purfleet and Romford and embracing many neighbourhoods in between. 348 has been designed to be convenient to many different people for many different purposes, be they shopping, work or leisure. For example, our buses will be providing links to the rapidly developing Lakeside shopping complex at West Thurrock and the established stores at Romford which also boasts a sizeable market. For more localised shopping needs 348 will have handily placed stops in Belhus, Upminster and Hornchurch.

Travellers to East London and the City will find 348 offering them a number of useful connections with train services towards London, notably at Ockendon, Romford and Upminster. For the first time in many years people in Clay Tye Hill and in St Mary's Lane, Cranham will enjoy a regular direct service through to Hornchurch and Romford.

In Belhus and Ockendon the introduction of route 348 has been specifically timed to ease the hardship which would have been caused by the withdrawal of route 303 by other local operators.

We hope that you will find our bus 348 useful and convenient and that we will be able to count you amongst our regular passengers! Elsewhere in this leaflet you will find information about times, route and fares, but if you need to know anything else please ring us on (0708) 865656.

348 What it costs

An attractive range of pocket pleasing single and day return fares is available for all journeys starting in Essex, for example:-

Belhus, Foyle Drive to Romford – 90p single, £1.49 day return

Holders of Thurrock District Council concessionary travel passes are entitled to the appropriate travel discounts.
